SAFE and EFFICIENT HIGHWAYS
7th Conference on Access Management
August 13-16, 2006 Park City, Utah

Make Registration Payable to: **Access Management Conference**

The seventh biennial conference on Access Management will be held in Park City, Utah from Sunday 13th to Wednesday 16th August 2006.   The conference will bring together engineers, planners, consultants, land developers and academia from across all fields of highway design, traffic engineering and planning. Concurrent sessions of paper presentations, workshops and poster sessions will be offered. The conference will serve as the summer meeting for the TRB Committee on Access Management (ADA70), Committee on Geometric Design (AFB10), and Committee on Operational Effects of Geometrics (AHB65).
